

Student Satisfaction Survey Report 2016-17

Summary of the Feedback Received

Infrastructure:

1. Most of the class rooms are well equipped with projectors and more fans to be provided during summer
2. Wi-Fi access is an issue in some floors
3. RO water facility is provided but glass to be placed near the area to consume water
4. More street lights on the way to hostel to be provided
5. Few more dustbins can be provided
6. Provide cold water facility in the summer time

Library:

1. Maintenance is good
2. More library cards can be issued during exam time
3. Books issuance gets delayed during peak hours
4. More e-resources to be added for preparation of assignment
5. Separate digital library facility is a great initiative
6. We have good collection of books but some critical books more copies can be provided
7. ID card scanner doesn't function all the time
8. Cost of fine can be reduced for late submission

Food Court:

1. The food court has great facility
2. Well maintained food court
3. Can have different timings for lunch break to avoid rush
4. More items and variety of food can be added by having different menu every month
5. Food provided are too spicy at times
6. The supporting staff are very helpful

7. Prices of eatables can be reduced so that it is reasonable for students to have food in canteen
8. Card system can be issued to avoid rush during peak hours

Others Feedback:

1. Few more routs can be added for the college bus
2. Extra Xerox facility to be provide to avoid delay
3. Need more drinking water facility in the new block
4. Separate section to handle scholarship is good but too difficult in approaching during submission time because of the rush
