

CIRCULAR

As Sahyadri is committed to ensure quality education and enhance the employability of our students to meet industrial requirements. In view of this Sahyadri has been associated with Technical Career Education Pvt Ltd since July 2018, a skill and placement training organization based in Bengaluru. Based on the satisfactory outcome, our college has signed an MOU with Technical Career Education Pvt Ltd dated 25th April 2019 to provide Industry Connect Courses, Hands-on Experience Training, Placement Training, and Internship Services to the students of Sahyadri College of Engineering & Management.

The courses offered by Technical Career Education Pvt Ltd are optional and the students of Sahyadri may choose any module of their interest. The details of the courses are available at <http://www.tce360.com>.
