## Industry Hub - Technical Career Education - TCE

Deputy Chief Minister Dr Ashwathnarayan C N inaugurated Industry Hub” at Sahyadri College of Engineering & Management.

Industry Hub - Technical Career Education (TCE). In line with the guidelines laid by All India Council for Technical Education, AICTE and Visvesvaraya Technological University's step towards setting up Industry Hub in every college to facilitate industry readiness and to nurture skills that are essential for industries, Technical Career Education was established to partner with technical institutions and Industries, thereby serving as an enabler and facilitator for benefits of all.

For this to be successful, Technical Career Education Pvt Ltd. (TCE) has signed MOU with multiple Industries to build a curriculum that aligns with industry standards and also to provide industry experts to enhance the technical skills of the students. The industries chosen are from technologies such as AI & ML, AR/VR/MR, IoT, Robotics, Data Science, RPA, and the likes that are going to create more jobs in the future. TCE focuses on setting up the Centre of Excellence in partnership with colleges that help in giving hands-on training on industrial concepts to the students thereby making them competent enough to be deployable in industries.

Dr. Ashwathnarayan was then felicitated for his vision and initiatives in taking the State of Karnataka to the top ranking in National Innovation and Start-Ups.

## Speech of Deputy Chief Minister Dr. Ashwathnarayan C N

There is NO second thought that Educational Institutions are a Temple of Learning. So, when we show respect, loyalty, discipline, dedication and commitment towards it, that institution grows undoubtedly, but we too grow personally and see holistic development in us. Everyone lives their life but we should add meaning to our life and to accomplish this, we need good educational institutions in the society. If our society should grow to greater heights in all spheres, there is no other means but through educational institutions who are the supporting pillars for the society's overall development. Hence, Education gives solution to all possible problems and brings our hidden talents in front. Keeping this in mind, we establish educational institutions for students to pursue their studies. In general, Educational Institutions are established with Not-For-Profit motive. Sahyadri College of Engineering & Management, Mangaluru may have been established by Mr. Manjunath Bhandary under Bhandary Foundation; however he does not get the ownership. Hence Deputy CM, appreciated the efforts of Mr. Manjunath Bhandary for establishing this institution and urged the society to join hands and build it together. He acknowledged the challenges that one faces in order to start an educational institution. Having said that, overcoming all odds and challenges, you have worked hard and built this institution so firstly, I appreciate Mr. Manjunath Bhandary and his spouse Mrs. Prasanna Bhandary.

Most of the stakeholders . Government, Students, Universities that gives affiliation, look at the institutions as a commercial centre. What difference does this institution make to the society is more important. We build these institutions using student fees only along with the initially contributed land and funds. It's not enough to grow an institution only through fees to a premier level in terms of quality. He acknowledged Mr. Pradeep Shetty for lending the land for Sahyadri. An educational institution is mandatorily run through Trust; Society or Section 8 Company hence they cannot run it for profit. There is accountability. Income Tax scrutinizes them every year. Many Statutory agencies scrutinize the operations of the institution. In this set up, Alumni should also contribute to their respective alma mater in a small or big way if they believe that this institution is going to make a difference to many students just like it made a difference in your life. That is the only way forward if you want to transform the society. It is my responsibility to Congratulate the efforts of Mr. Manjunath Bhandary of Sahyadri and the people who helped in building this institution.

It always seen that when there is a good point put across in the parliament, there is always an opinion that the funds will be misused. There is accountability for everyone. When we do not enforce, only then they do it in their own way. We extend our wholehearted support to Sahyadri whether Visvesvaraya Technological University or from the State Govt. With a good intension VTU has been introduced. There is lot of improvement. We may have not transformed to the level of expectation, we have to, however we are still striving towards the quality in terms of syllabus, or regulations. We are completely revising syllabus just like you are giving internship inside the college. Students should be getting opportunities and be industry ready. Sahyadri has amazing Centres of Excellence on all emerging areas like Data Science, AI, Machine Learning, Cyber Security, IoT; Industrial Hubs, Companies established and Start Ups and all other activities. He appreciated how all this has already been incorporated. Most of the engineering colleges are way behind from what Sahyadri has set-up. In this direction, we have to do a lot. In this process, we are bringing lot of improvements in VTU and bringing lot of changes by integrating internship. NEP is to be implemented in YR 2021. Engineering colleges are currently facing challenges but will be better positioned to take best advantage, adapt and integrate and promote NEP. Engineering colleges will do extremely well because of the multi-disciplinary programme, integration of various major and minor subjects, probably lot of combinations can be offered. They can do extremely well in the days to come. There will not be even a single vacant seat in Engineering Colleges. Only thing is, some of the Engineering colleges are not managed properly. Probably GER (Gross Enrollment Ratio) in Karnataka is 28%, Tamil Nadu is 50%, Neighboring states range in 35%, 36% 33%. We are also targeting to reach 50% GER. Through NEP and VTU, we should bring developments and we are looking at giving Equity funds worth Rs. 50 Crores for startups this year from VTU. Let's bring improvements in quality together. Under the leadership of Mr. Hariskrishna Bantwal, Mangalore Innovation will be a reality and support would be extended from the State Government.

Karnataka is leading from front in terms of Technology and Innovation and Entrepreneurship. He gave the 5 years projection of revenue through Technology, Innovation and Entrepreneurship. Technology is integrated in various fields, Agriculture is completely in digital form, Transportation, Logistics, Learning Institutes. Each and every vertical will be a big industry. We look forward to a better future in every sector. Don't worry about future, but make efforts, skill up or upgrade yourself. Employee or employer, job creator or job seeker whatever it might be, you need to be happy and enjoy whatever you are doing. Do anything but "Pursuit of Excellence" should be the only slogan lifelong. When you do anything with self-motivation in pursuit of excellence and programme your mind and body to this, natural forces will encourage us to achieve what we want. This is 99% true as it has become true in his life. Karnataka has lot of potential, as Product Design for most of the countries happens in Karnataka. Every year 8 lakhs jobs are created (Formal Jobs) in Karnataka which are registered under Provident Fund and the Graduates put together is only 5 lakhs every year.

He concluded his speech recognizing the efforts of Mr. Manjunath Bhandary for the whole set-up of Sahyadri College of Engineering & Management.

## Address by KEONICS Chairman

Mr. Harikrishna Bantwal, Chairman of KEONICS. In his address Mr. Harikrishna Bantwal, Chairman of KEONICS appreciated Mr. Manjunath Bhandary's hard work and dedication in making Sahyadri College of Engineering & Management, a top institution of this region within a short span of time. He referred to Swami Vivekananda's preaching and said that one should leave a mark behind and Sahyadri College is one such achievement. He also mentioned that there are many ministers he has come across, however Dr. Ashwathnarayan has shown what a true minister is. He concluded his talk by saying that 'Self-Belief' is ultimate and will take you to greater heights.

In interactive session Dr. C N Ashwathnarayan, Deputy Chief Minister of Karnataka, Dr. Bharath Shetty Y, MLA-Mangalore City North, Mr. Harikrishna Bantwal, Chairman-KEONICS, Smt. Champa E, General Manager Department of IT, BT and S&T, Government of Karnataka, Mr. Manjunath Bhandary, President, Bhandary foundation, Shri Uday Birje, co founder and director, Thinkstreet technologies, Dr Abhishek Vaish of IIT Allahabad and Dr. Rajesha S, Principal, Sahyadri College of Engineering & Management were present.

## Karnataka planning fund for start-ups in engineering colleges

OUR BUREAU

Mangaluru, February 25

The Karnataka government is planning to set up a fund under the Visvesaraya Technological University (VTU) to support start-ups in engineering colleges, according to Karnataka Deputy Chief Minister, Ashwath Narayan CN.

Inaugurating the 'Centre of Excellence in Digital Forensics Intelligence and Cyber Security' on Wednesday, he said plans are afoot to set up a ₹50-crore fund to support start-ups under VTU.

Appreciating Sahyadri College for its centres of excellence in emerging areas and in-house start-ups, he said engineering colleges have wider scope due to the importance given to the multi-disciplinary approach. He urged students to skill up and be industry relevant.

At the valedictory of the 'Mangaluru Innovation Conclave' earlier in the day, he said the government has revised the syllabi of the polytechnics, and the process of revision is under way for ITIs in the state. Stating that the revised syllabi for engineering colleges will be ready in a few months, he said it will be implemented from the next academic year. The revised syllabi will give students a variety of subjects and combinations to choose from irrespective of their branches, he added.

## Works on IT Park in Mangaluru to start soon: DCM Ashwath Narayan

Keonics to develop the much-awaited project; 5 acres of land identified

EXPRESS NEWS SERVICE @ Mangaluru

DEPUTY Chief Minister C N Ashwath Narayan on Wednesday said the works on the proposed IT park in city will commence soon on five acres of land.

He was speaking after inaugurating Mangaluru Innovation Conclave that intends to come out with an action plan to make Mangaluru a global innovation hub for science and technology, akin to California's Silicon Valley. The DCM said tenders were floated several times to develop IT Park on PPP model but no bidders came forward. Hence, the Keonics will develop the IT park. Keonics is also mulling on acquiring additional four acres of land adjacent to the site for the purpose, he said.

He said the government will provide incentives to companies that will set up units outside Bengaluru in order to attract investments to tier-2 cities of the State. He also announced that Mangaluru Tech Summit will be held in the coastal city.

EV Ramana Reddy, Additional Chief Secretary to CM, Department of Electronics, IT/BT and ST, said the government is focusing on development of IT companies in cities like Mysuru, Mangaluru, Hubballi-Dharwad, Belagavi and Kalaburagi by providing various benefits like funding up to ₹3 crore, rental reimbursement up to ₹3 lakh, stamp duty exemption up to 70 per cent and others.

He said Mangaluru has great potential to attract IP companies as it has the required eco-system. The focus should be on creating a land bank and encouraging enterprising people, he said.

Stating that scarcity of land is a major obstacle for industrial development in Mangaluru, MP Nalin Kumar Kateel said a land bank

with 10,000 acres will be created. He asked the district administration to create a single-window facility to clear all investments in the district within 24 hours.

Referring to a survey, he said by 2023, Mangaluru's software exports will reach 7,500 crore. He said a job mela will be conducted in Mangaluru in the month of June.

The MP said the connectivity to the port city will improve drastically in the coming days as the Shiradi Ghat tunnel road project planning is in its final stages and works on the Addahole- BC Road project will begin in March.

**NMPT signs MoUs worth ₹1,417 cr**

## ಈ ವರ್ಷದಿಂದಲೇ ನೂತನ ಶಿಕ್ಷಣ ನೀತಿ

### ಸಹ್ಯಾದ್ರಿ ಎಂಜಿನಿಯರಿಂಗ್ ಕಾಲೇಜಿನಲ್ಲಿ ಡಾ.ಸಿ.ಎನ್. ಅಶ್ವತ್ಥನಾರಾಯಣ

ಪ್ರಜಾವಾಣಿ ವಾರ್ತೆ

ಮಂಗಳೂರು: ಶಿಕ್ಷಣ ಕ್ಷೇತ್ರವನ್ನು ಸುಧಾರಣೆ ಮಾಡುವ ನಿಟ್ಟಿನಲ್ಲಿ ಅನೇಕ ಶ್ರಾಂತಿಕಾರಕ ಕ್ರಮಗಳನ್ನು ರಾಜ್ಯ ಸರ್ಕಾರ ಕೈಗೊಂಡಿದ್ದು, ಈ ವರ್ಷದಿಂದಲೇ ರಾಷ್ಟ್ರೀಯ ಶಿಕ್ಷಣ ನೀತಿಯನ್ನು ಜಾರಿಗೆ ತರಲಾಗುತ್ತಿದೆ ಎಂದು ಉನ್ನತ ಶಿಕ್ಷಣ ಸಚಿವ, ಉಪ ಮುಖ್ಯಮಂತ್ರಿ ಡಾ.ಸಿ.ಎನ್. ಅಶ್ವತ್ಥನಾರಾಯಣ ಹೇಳಿದರು.

ಸಗರದ ಸಹ್ಯಾದ್ರಿ ಎಂಜಿನಿಯರಿಂಗ್ ಕಾಲೇಜಿನಲ್ಲಿ ಸೆಂಟರ್ ಆಫ್ ಎಕ್ಸಲೆನ್ಸ್, ರಿಸರ್ಚ್ ಡಿಪ್ಟ್ ಲ್ಯಾಬ್ ಮತ್ತು ಇಂಡಸ್ಟ್ರೀ ಹಬ್ ಉದ್ಘಾಟನೆ ಆವರಣ ಮಾಡಲಾಯಿತು.

ಪಠ್ಯಕ್ರಮ ಪರಿಷ್ಕರಣೆ: ವ್ಯಕ್ತಿಪರ ಸೈಪ್ಪೂಜಕ ಹಾಗೂ ನಾವಿನ್ಯತೆಗೆ ಓತ್ತು ನೀಡುವ ನಿಟ್ಟಿನಲ್ಲಿ ಡಿಪ್ಲೊಮಾ ತರಗತಿಗಳ ಪಠ್ಯವನ್ನು ಅಮೂಲಾಗ್ರವಾಗಿ ಬದಲಾವಣೆ ಅಥವಾ ಪರಿಷ್ಕರಣೆ ಮಾಡಲಾಗುತ್ತಿದೆ. ಈಗಾಗಲೇ ಈ ಕೆಲಸ ಪ್ರಗತಿಯಲ್ಲಿದ್ದು, ಅದನ್ನು ಬೇಗ ಜಾರಿಗೆ ತರಲಾಗುವುದು ಎಂದು.

ಉದ್ಯೋಗ ಮಾರುಕಟ್ಟೆ, ಜಾಗತಿಕ ಔದ್ಯೋಗಿಕ ಅಗತ್ಯಗಳನ್ನು ಮನದಲಿ ಇಟ್ಟುಕೊಂಡು ತಾಂತ್ರಿಕ ಹಾಗೂ ವ್ಯಕ್ತಿಪರ ಶಿಕ್ಷಣಕ್ಕೆ ಹೆಚ್ಚು ಓತ್ತು ನೀಡಿ, ಸುಧಾರಣೆಗಳನ್ನು ತರಲಾಗುತ್ತಿದೆ. ಅದಕ್ಕಾಗಿ ಡಿಪ್ಲೊಮಾ ಹಾಗೂ

ಎಂಜಿನಿಯರಿಂಗ್ ಕಾಲೇಜುಗಳೂ ಸೇರಿದಂತೆ ಉನ್ನತ ಶಿಕ್ಷಣದ ಎಲ್ಲ ಸಂಸ್ಥೆಗಳಿಗೂ ಶಕ್ತಿ ತುಂಬುವ ಕೆಲಸ ಮಾಡಲಾಗುತ್ತಿದೆ. ಈ ವೈಕಿ ಕೈಗಾರಿಕೆಗಳಲ್ಲಿಯೇ ಇಂಟರ್ನ್‌ಶಿಪ್‌ಗೆ ಅವಕಾಶ ಕಲ್ಪಿಸುವ ಉದ್ದೇಶವಿದೆ. ಇದೇ ದಿನೆಯಲ್ಲಿ ಬೆಳಗಾವಿಯ ವಿಶ್ವೇಶ್ವರಯ್ಯ ತಾಂತ್ರಿಕ ವಿಶ್ವವಿದ್ಯಾಲಯದಲ್ಲಿ ಗಮನಾರ್ಹ ಸುಧಾರಣೆಗಳನ್ನು ಜಾರಿ ಮಾಡಲಾಗುತ್ತಿದೆ ಎಂದು ಮಾಹಿತಿ ನೀಡಿದರು.

'ಸಹ್ಯಾದ್ರಿ ಎಂಜಿನಿಯರಿಂಗ್

ಕಾಲೇಜು ಉತ್ತಮ ವ್ಯವಸ್ಥೆ ಇದೆ. ನಮ್ಮ ನಿರೀಕ್ಷೆಯ ಮಟ್ಟದಲ್ಲಿ ಈ ಕಾಲೇಜಿದೆ. ವಿದ್ಯಾರ್ಥಿಗಳ ಕಲಿಕಾ ಗುಣಮಟ್ಟವೂ ಉನ್ನತ ಮಟ್ಟದಲ್ಲಿದೆ ಎಂಬ ನಂದಿಕೆ ನನ್ನದು' ಎಂದರು.

ಖಾಸಗಿ ಶಿಕ್ಷಣ ಸಂಸ್ಥೆಗಳು ಆಡಳಿತದಲ್ಲಿ ಸೇರಲು ಕ್ರಮ ತೆಗೆದುಕೊಂಡು ಸಂಸ್ಥೆಯನ್ನು ಮುನ್ನಡೆಸಬೇಕು. ಆಗ ಉತ್ತಮ ಆಡಳಿತದ ಜೊತೆಗೆ, ವಿದ್ಯಾರ್ಥಿಗಳಿಗೆ ಉತ್ತಮ ಶಿಕ್ಷಣವೂ ಸಿಗುತ್ತದೆ. ಸಹ್ಯಾದ್ರಿ

ಈಗ ಅನೇಕ ಸವಾಲುಗಳನ್ನು ಎದುರಿಸುತ್ತಿರುವ ಸರ್ಕಾರ ಮತ್ತು ಪಾವತಿ ಕ್ಷೇತ್ರದ ಎಲ್ಲ ಎಂಜಿನಿಯರಿಂಗ್ ಕಾಲೇಜುಗಳ ಪೈಕಿಗಾಗಿ ಅಮೂಲಾಗ್ರವಾಗಿ ಸುಧಾರಿಸಲಿವೆ. ಡಾ.ಸಿ.ಎನ್. ಅಶ್ವತ್ಥ ನಾರಾಯಣ ಉಪ ಮುಖ್ಯಮಂತ್ರಿ
