“Ideal Engineering Upstart - To Study”

- M R Seetharam

## Sahyadri, in the words of Shri. M R Seetharam...

Shri. M R Seetharam, Hon'ble Minister for Planning, Statistics, Science and Technology, Government of Karnataka during his visit to Sahyadri, spoke high about the Campus, Management and its unique & best practices.

He was astonished to witness a campus that was well structured with stunning natural views. He defined Sahyadri as an **"Ideal Engineering Upstart - To Study"** that has grown in leaps and bounds in a short span of time. He was dumbstruck to view the Innovation Labs that are set up in the campus and had words of praise for the practice of having a dedicated team of faculty to handle the subjects for first year engineering students.

He appreciated the campus for the start up initiatives and the encouragement given to the students to nurture their talents and innovative ideas. He said, the practices that are adopted by the institute make it unique in this part of the State.

He wished great success to the Chairman, Mr. Manjunath Bhandary, the staff and the students of the institute and to have a glorious future.
