

## Sahyadri Campus

The eco-friendly picturesque campus spread across 30 acres of land is situated on the banks of river Nethravathi and adjacent to Mangalore-Bangalore National Highway (NH-75). It is located at a distance of 7 kms from the port city of Mangalore, a popular education hub. It is well connected by road, air and train to all the major cities of India. The Campus is rightly named 'Sahyadri,' which means, the Western Ghats, surrounded by green hills and river.

## OVERVIEW

Graduation is the ceremony at which all graduates are individually recognized and awarded by the Head of the Institute. Graduation Day is the most memorable event in a student's life. This also enhances the alumni relationship with the institute. In this regard, the Department of Business Administration organised Graduation Day for the MBA batch of 2012-14 students. 176 MBA students were awarded their Postgraduate degree in Business Administration.

GRADUATION DAY 2014

## BRIEF PROFILE OF DR. DEEPENDRA MOITRA

President and CEO, Praxight Partners, Chairman & Co-Founder  
Teritree Technologies Pvt. Ltd, Bangalore

Deependra Moitra, Ph.D., a Management Consultant, focuses on helping companies transform their performance through strategic innovation. He has over 18 years of multifaceted experience and has extensively advised senior management teams at leading multinational corporations as well as entrepreneurial ventures. He has guided companies across industry sectors to accelerate business performance improvement and construct platforms for profitable growth. Dr. Moitra serves on the advisory boards of numerous start-ups and not-for-profit institutions. A widely recognized expert on global innovation management, he frequently speaks at major industry forums and international conferences.

Previously, Dr. Moitra held senior management positions with Infosys Technologies and Lucent Technologies. At Infosys, as the General Manager for R&D, he was instrumental in shaping the company's nonlinear growth strategy and spearheaded a highly successful services innovation initiative, encompassing emerging technologies R&D, business technology consulting, and intellectual property commercialization. At Lucent, as a start-up team member and general manager for its India R&D Centre, he played a key role in establishing a large, high performance software product R&D organization and led the centre to formally achieve the status of Bell Labs in a record time of 2 years. Earlier in his career, he held various positions with Siemens Communications Software and the Indian Space Research Organization.

Dr. Moitra has earned the reputation of being a business savvy leader with an entrepreneurial mindset. He has a strong general management background with a demonstrated ability to incubate new growth opportunities, manage large and complex global product development programs with multi-country footprints, and deliver high performance business results. He has successfully lead organizations through periods of rapid growth as well as intense business change, and earned respect of employees, managers and customers for his transformational abilities. His leadership style and accomplishments have been profiled, among highly visible leaders, in an internationally acclaimed book, *Leading with wisdom* published in 2007 by Sage Publications and Greenleaf Publishing.

Dr. Moitra received a B. Tech. degree in instrumentation and control engineering from the University of Calicut, where he graduated with honors at the top of his program. He earned his Ph.D. from the Rotterdam School of Management for his cutting edge research on globalization of R&D. He has several publications to his credit including the widely acclaimed book *China and INDIA: Opportunities and threats for the global software industry* (Chandos Publications, 2007) that he co-authored. He serves on the editorial boards of many leading international journals and occasionally also lectures at leading business schools in India and abroad.

### Message from the Chief Guest Dr. Deependra Moitra

Dr. Deependra Moitra, President and CEO, Praxight Partners, Chairman & Co-Founder, Teritree Technologies Pvt. Ltd., Bangalore, was the Chief Guest for the programme. In his address, he stated that the real life of an individual starts after the completion of his studies. He urged the graduates to live a life with humility and utilize the opportunities ahead of them with a meaningful goal-oriented life. He conveyed life messages through inspirational stories. His messages were focused on progress through substance, need for continuous unlearning and learning, struggle for growth, tradeoffs in situations, having unique individual ambitions, positive communication skills, managing relationships and adaptive behavior. He also emphasized that an individual's identity is his character and asked the graduates to imbibe individual ethical behavior.

### Vote of Thanks by Dr. Umesh M Bhushi, Principal

Principal in his Vote of Thanks enumerated the statement of Mahatma Gandhi "Live as if you were to die tomorrow. Learn as if you were to live forever." Also, excel before you win. The idea of being your best, sharpening your saw, and being steadfast and deserving, hold yourself to high standards, and compete with worthy competition, the best standing example is Honourable Chief Guest Dr. Deependra Moitra and asked the students to tread his footsteps for a professional growth.

He emphasized to the students to consider the degree as 'your ticket to change the world.', where 'individuality' is the key to success. And the purpose of life is to be useful; to be honorable, to be compassionate, to have it make some difference that you have lived and lived well". He thanked all the stakeholders who supported and contributed to the professional growth of students.
