About Sahyadri

Sahyadri College of Engineering & Management offers a wide range of undergraduate and postgraduate programs in technical and management domains, approved by AICTE and affiliated to Visveshwaraya Technological University - VTU Belagavi. The vision of the institute is to become a globally respected institute striving continuously for excellence in education, research and technological service to the nation.

The Institution is NAAC accredited with "A" Grade and certified by ISO. The College offers B.E. Degree, MBA and Research Programs for Doctoral Degree. The Institution encourages students to "Walk-in with the Idea and Walk-out with the Product". The College aims at imparting project based learning, thus enabling students to understand the process of learning concepts.

Collaboration platforms @ Sahyadri

- MoU with National & International Universities
- Multi National Companies and Leading Industries
- National Entrepreneurship Network (NEN) to develop new entrepreneurs

Department of Placement

Placement Department is highly dynamic and has been efficient in placing students into profiles of their choice. The Placement Department is headed by Dean-Placement and ably supported by Assistant Placement Officers, Staff and Student Coordinators.

The Placement Department also actively takes part in providing internship opportunities to the students. The placement Department has also set up Aptitude Lab for continual assessment of students.

Dean - Placement

- Experience of two decades in the Education and Training field.
- Organized over 1500 campus / off campus recruitment for engineering candidates and placed over 15000 students till date.

Prof. Rashmi Bhandary
Dean - Placement

Placement Training

Placement training is conducted for first year students which includes aptitude and placement awareness in each semester.

Students are made to solve aptitude questions and solutions for the same are discussed by faculties at the end of every session. Students are made aware about various rounds like Group Discussion, Technical round, and Human Resource round involved in the recruitment process.

Aptitude Lab:

The Aptitude is part of the regular curriculum. Every week students spend time in the state of the art aptitude labs to improve their skills. These sessions are monitored by the placement faculties to ensure students practice regularly like any other subject.

Oliveboard:

It is the most comprehensive online preparation portal for Campus Recruitment, Banking and Government exams. Students can explore a range of mock tests and study material.

Placement Training:

To get placed in a company, students are tested on the following:

- Marks – to determine eligibility
- Aptitude – General and Technical
- Group Discussion
- HR Interview

The college therefore provides extensive training to help students get into their dream job. The college has partnered with the best training institutes across the country to provide the best of aptitude, technical, soft skill and group discussion sessions to help them crack the company recruitment process. Some of them being:

- 10seconds
- Aptimithra
- CoCubes
- ReferenceGlobe
- NextGen Recruitment Ventures Limited

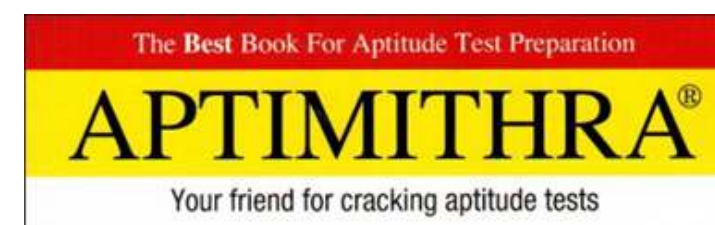

10seconds:

They offer the most comprehensive training programs to cater industries' requirements. They deliver through its huge resource pool of trainers/consultants with vast experience in real time as well as corporate training on the skill sets ranging from Information Technology, Technical Skills, Aptitude Skills, and Soft Skills & Interview Skills. They conduct various workshops short term and long terms to enhance the skill sets.

Aptimithra by Ethnus:

Aptimithra provides immediate and practical support carefully aligned to the area of study and current level of expertise, APTIMITHRA is designed to prepare for Aptitude Tests in the most efficient and effective manner. The book includes over 2500 questions across 35 plus topics in quantitative, verbal and logical reasoning.

CoCubes
An Aon Company

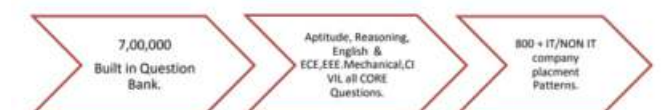

NextGen Recruitment Ventures Limited:

Sahyadri has partnered with NextGen Recruitment Ventures Limited for core companies, especially Mechanical and Civil companies. This has made Sahyadri one of the leaders in Mechanical and Civil Placements.

ReferenceGlobe:

Reference globe is an on growing global reference network platform that connects the Providers and Aspirants of Education, Career and Learning domains from a single place either directly or through a reference. They provide complete End to End Assessment Platform with Built in Question Bank.

Industry Interaction

We have interactive sessions with the Industry experts to enhance the technical skills of our students.
