

# SAHYADRI

COLLEGE OF ENGINEERING & MANAGEMENT

MANGALURU

A joyous and a proud moment for Sahyadri to announce that our students have bagged Gold Medals and University Ranks

3rd Rank  
M.Tech-CAD Structures

Manikanta P V

6th Rank  
M.Tech-CAD Structures

Anusha K

Gold Medal  
BE-Civil

Sthuthi K A

5th Rank  
MBA

Athmeeya H P

10th Rank  
MBA

Varun K

1st Rank  
&  
4 Gold Medals

Pavithree B Shetty  
BE-Computer Science

## Courses Offered

### Bachelor of Engineering - BE

- Computer Science & Engineering
- Electronics & Communication Engineering
- Information Science & Engineering
- Mechanical Engineering
- Civil Engineering

### Master of Business Administration - MBA

- Finance
- Marketing
- Human Resource

Empowering Young Minds

# Your journey to the future begins @ SAHYADRI

## **Sahyadri College of Engineering & Management**

The Institution is recognized by AICTE, Government of India, affiliated to VTU, Government of Karnataka, accredited with "A" Grade by NAAC and accredited by Institution of Engineering (India) - IEI, and certified by ISO. The College offers B.E., MBA, doctoral and research programs. The total student and staff strength at the campus is nearly 4000.

**ACADEMICS... RESEARCH...  
INNOVATION...  
ENTREPRENEURSHIP...  
ONLY@SAHYADRI**

## **Sahyadri Centre for Social Innovation (SCSI)**

motivates students in the area of social innovations thus providing hands on experience and practical exposure to solve socially relevant problems. With the growing problems in the society, the engineers should have solutions ready kits to deal with those problems and thereby create an ideal environment to evolve.

**Creating platforms for Ideation** to motivate first year students to participate in national events/organizing events/exhibitions; developing creativity, innovation and healthy competitive spirit, are the core of Technical Career Education's mission of imparting quality education.

- A Group of 6-7 first year students are given opportunity to participate in national and international events.
- **First Year Engineering students** participated in various technical competitions at IIT's, NIT's and renowned premier institutions across the country and won many accolades.

**Get ready for the FUTURE**

- Skill yourself in emerging technologies

**Sahyadri Science Talent Hunt (SSTH)** is open to all students in the Karnataka state. SSTH provides a platform for students to showcase their concepts and ideas. A team of leading industry professionals provides guidance and support to students and transform them to become successful engineers.

**Student Project Support Scheme (SPSS)** is mainly initiated to impart project based learning from Day one of Engineering. This scheme is driven by the concept of Project to Product on completion of engineering course, with funding support from the college management. Nearly 500-600 projects under this scheme are being done by our students.

**Incubation Centre** to further motivate and encourage the students, their innovative ideas, which are obtained by societal visits, and incubated. These are further converted into products and are hand held by the industries that are well established at the Sahyadri campus.
