COLLEGE OF ENGINEERING & MANAGEMENT
MANGALURU

ABOUT SAHYADRI

COLLEGE OF ENGINEERING & MANAGEMENT

About Sahyadri

Sahyadri College of Engineering & Management offers a wide range of undergraduate and postgraduate programs in technical and management domains, approved by AICTE and affiliated to Visveshwaraya Technological University - VTU. The vision of the institute is to become a globally respected institute striving continuously for excellence in education, research and technological service to the nation.

The College offers B.E. Degree in Computer Science, Information Science, Mechanical, Civil, Electronics & Communication, and Post-graduation in MBA, M.Tech in above mentioned five specializations and Ph.D. Research programs.

The College is ISO 9001-2008 certified by TUV Nord, Germany and has obtained the International Accreditation Organization (IAO) candidate stature.

Dr. Manjunath Bhandary, M.Phil, Ph.D. Chairman

A visionary, entrepreneur, educationist and politician. His novel thoughts add a new dimension to the world of education. His dynamic leadership brings about much needed social reforms through education, to empower individuals to become the

backbone of an enterprising, productive society. He has received the prestigious Eisenhower Fellowship Award by the Eisenhower Foundation, Philadelphia, USA. He has been nominated as a special invitee to the Karnataka State Higher Education Council. He was conferred with Eminent Engineer of the year Award 2016 by The Prestigious engineering body, The Institution of Engineers (India) for his meritorious services in the field of Education and social activities.

Infrastructure

Sahyadri campus is spread across 30 acres of land on the banks of the river Nethravathi and is surrounded by a serene atmosphere. It is adjacent to the Mangalore-Bangalore, National Highway 48. The Campus provides a congenial atmosphere for education. The excellent infrastructure coupled with dedicated and experienced faculty has made the Campus a much sought-after abode of learning.

The College has a built-in area of five lakh sqft, aesthetically constructed, in the courtyard style. Very spacious class rooms with good ventilation, well-equipped laboratories, spacious library, seminar halls, auditorium with all modern acoustic facilities, state-of-the-art cafeteria and a well-developed sports facility are provided in the Campus.

Collaboration for academic excellence

- Indian Institution of Information Technology - IIIT, Allahabad
- University of St. Louis, USA
- Ghent University, Belgium
- University of Pardubice, Czech Republic
- ISRO, Bangalore
- The institution is privileged to be the first college in Karnataka to get the Microsoft's Platinum Ed-vantage Academic Alliance
- INTEL - Intelligent Systems Laboratory set up by FICE
- National Entrepreneurship Network (NEN) to develop new entrepreneurs
- Reliance Jio
- Federation of Karnataka Chambers of Commerce & Industries (FKCCI), Bangalore
- iWave Systems Technologies, Bangalore
- Environmental Health and Safety Research & Development Centre (EHSRDC), Bangalore
- Mangalore University for collaborative Research & Development, Education & Training.
- National Design & Research Forum (NDRF), Bangalore

Student Project Support Scheme - SPSS

This is the first-of-its-kind in any professional technical institution in the country. SPSS provides financial and academic support for student projects in order to improve the quality of technical education. The management has earmarked sufficient funds to support student projects through the SPSS.

Sahyadri Center for Social Innovation - SCSi

The main objective of the Sahyadri Center for Social Innovation (SCSi) is to motivate the students in the area of Social Innovations and Engineering and provide hands-on experience and practical exposure to solve socially relevant problems. The College believes that mere academic knowledge is not sufficient to produce world-class engineers.

Hands on Experience Lab

In order to bridge the gap between theory and practice, the College has initiated this lab. The Hands-on Lab is a full-fledged 24X7 technical workspace. The lab aims at enhancing the analytical skills and practical knowledge of the budding engineers. The Hands-on Lab is built on the lines of "Make in India" concept where we encourage students to pursue their ideas and innovate continuously with the intent to bring

Start-up @ Sahyadri

Start-up at Sahyadri focuses on holistic approach in building a complete understanding about startups and entrepreneurship journey through various perspectives and connects all relevant and related resources and tools for further self-learning and to put theory into practice. The objective of Start-up@Sahyadri is to provide adequate support data and tools to connect with other sources and data that support entrepreneurial ventures.

Start-up companies by students at Sahyadri eCell

- Sahyadri Edu Dreamers R&D Pvt. Ltd. (DTLabz)
- Whattabiz.com • Host Zyro • Samaroham Creations
- IUSOLVE • Axndx Technologies Pvt. Ltd. • Flicker Infotech • OLS, an Online Laundry Service • Softrixz

Sahyadri Initiatives

The institution has supported students to participate in SAE BAJA, SAE SUPRA, SAE AERO competitions which help students to use their theoretical knowledge for practical applications. Students are qualified for SAE-BAJA, SAE Go Cart, SAE Formula Race, and SAE Aero Design Competitions. A two day National level Aero Modeling Competition "**Aerophilia 2016**" was conducted at Sahyadri for undergraduate students of the entire country organized by team Challengers and Dreamers of the institute. Students from premier institutes like IIT Madras, IIT Kanpur, NIT Karnataka participated.

Project based Learning

Motto of the institute is project and research-based learning, grooming an entrepreneurial culture fostering holistic development of students contributing to society by getting them exposed through weekly invited talks from renowned scientists, CEO's, COO's & industrialists. These are augmented by strong Human Resource with wide range of rich experience from renowned institutes, strong management support aiding project-based learning through more than a crore of investment every year, facilitating funded research.

ABOUT Department of Placement

Department of Placement

The Department of Placement consists of the HOD-Placement and an Assistant Placement Officer. The department is entrusted with the responsibility of ensuring that students are well-placed professionally, thereby bringing to a successful culmination the students' efforts in the program. The objective of the Placement Department is to train the students as per the requirements of the industry. This is done through extensive industry-specific aptitude training, to enhance the effectiveness of the students aspiring for placement.

The TQM culture can be seen in every facet of activity at Sahyadri from top management commitment by financial support, adequate empowerment, decentralization of power, employee involvement, continuous improvement with apt deliverables for all stakeholders.

Vision

To ensure that every student leaves the portal of the college with the desired offer in hand.

Mission

- To provide all students adequate training and internship opportunities to get placed in the industry of their choice.
- To provide the industry with skilled human resources.
- To make it a joy for all stake holders to work with us.

Facilities for Recruiters

- 600 computers for online test with 100 Mbps BSNL leased line of wireless Internet across the Campus.
- Auditorium with a capacity of seating 800 students.
- We have the resource to conduct written test for 1000 candidates at one sitting.
- 4,000 candidates can be tested in one single day.
- LCD, computer and technicians for pre placement talk and presentations (PPT).
- Separate rooms for written test, group discussion and interview cabins.
- Trained student volunteers to assist in registration, invigilation, correction and interviews.
- We help in lateral hiring and arrange off campus drives.

Students Recruited with Highest Package

Placement Features

- The objective of the Placement Department is to make the students industry ready. Through extensive industry-specific training, it enhances the effectiveness of the students aspiring for placement.
- Online assessment from Olive Board - earning & placement platform which is being used by top engineering colleges in Karnataka for their 3rd & 4th year batches.
- Off-campus placement support and also assessment from the CoCubes.
- In house aptitude training for the students of 3rd & 4th semester teaching them the basics of aptitude.
- In house aptitude training for the students of 5th & 6th semester with practical exposure in solving aptitude tests.
- Mandatory for the pre-final year students to complete 1 project successfully and undergo internship in at least one company, while for the 2nd year students it is mandatory to complete 2 projects successfully and undergo internships in 2 companies.
- At Sahyadri we have adopted the Culture of involving students in projects from the first semester, where students are expected to identify social problems and in all the preceding semesters they develop ideas into concept, the concept into a project and finally the project into a real product for the benefit of society.
