I AM AN ENGINEER TODAY AND IT IS ALL THANKS TO NITTE.

From the time I was in school, all I wanted to be, was an engineer. To experiment, innovate and build a better world.

Reality however was a different issue altogether. The family I came from could not support me, nor could they enroll me in an engineering college.

This is when Nitte came in and offered me a scholarship to join NMAMIT.

Today it is five years since I graduated from NMAMIT and began working. Five years of living my dream of helping build a better world.

Thank you Nitte. Thank you for extending your hand in support. I promise to do you proud.

Meritorious students who have secured more than 85% in PCM in the 12th standard are eligible for fee concession as noted below:

Branch	Regular fee	Fee (> 85% in PCM)
Computer Science/Electronics & Communication Mechanical/Information Science	₹2.83 lakhs p.a.	₹2.13 lakhs p.a.
Electrical & Electronics/Civil	₹1.93 lakhs p.a.	₹1.53 lakhs p.a.
Biotechnology	₹1.03 lakhs p.a.	₹0.78 lakh p.a.
