

Sahyadrians donate relief materials

MANGALURU, DHNS: The students, faculty and management of Sahyadri College of Engineers have contributed relief materials to relief centres in Kerala and Kodagu for the rehabilitation of the people affected by incessant rain.

The students and staffers donated food items, sanitary

materials, medicines, bed sheets, clothing, water bottles, toiletries and cleaning materials.

Sahyadri students contributed Rs 1.6 lakh in cash for the Disaster Relief Fund. The relief materials were sent to the relief camps through Indian Coast Guards.
