CALL FOR PROPOSALS FOR SCIENTIFIC RESEARCH IN THE ARCTIC REGION (2019-2020)

Application Deadline: 21st January 2019

The National Centre for Polar and Ocean Research (NCPOR), an autonomous R & D Institution under the Ministry of Earth Sciences (MoES), Government of India has been designated as the nodal agency responsible for the planning, co-ordination and implementation of India's scientific research endeavours in the Arctic realm. On behalf of the Ministry, NCPOR invites research proposals from national scientific organisations/institutions, research laboratories and universities with a sustained interest in polar research for funded access (comprising travel, DA as per the Government of India norms, polar clothing, boarding and lodging) to the Ny-Ålesund Research Infrastructure in Svalbard, Norway.

Scientific research proposals are invited, specifically within the following fields of Arctic research:

- Atmospheric Science with special reference to study of aerosols, trace gases and precipitation over the Arctic
- Marine Science: Dynamics and functioning of Arctic fjords (Kongsfjorden-Krossfjorden System)
- Environmental Chemistry: Natural contaminants in food webs and long range pollutants
- Cryospheric studies: Snow and ice chemistry, glaciology

In addition, the applicants are also encouraged to visit websites <https://www.researchinsvalbard.no> and www.kingsbay.no for more information regarding Arctic research.

Complete programme, eligibility, and application information is available at: <http://www.ncaor.gov.in/>
