

## Admission guidance cell at Sahyadri College

**SPECIAL CORRESPONDENT**  
MANGALURU

An engineering admission guidance cell has been opened at the Sahyadri College of Engineering and Management here to guide students and parents with regard to the engineering admission process.

Students and parents can visit the centre between 9 a.m. to 5 p.m. on all the working days to clear all their doubts like how to select branches, placement opportunities, CET and COMEDK seats, fee structure, CET and COMEDK counseling, CET option entry methods etc., a college release added.
