Tech vision at Sahyadri College today

MANGALURU, DHNS: Tech Vision, a one-day intra-collegiate project competition, will be organised by Sahyadri College of Engineering and Management, on May 1.

The main objective of this event is to inspire young minds of the engineering students by providing them a platform to demonstrate their skills and knowledge through projects.

About Rs 20 lakh have been spent on Sahyadri Project Support Scheme (SPSS), wherein the grants are being provided

to each of the qualified student projects.

More than 710 projects, including SPSS and non-SPSS projects of BE, MTech and MBA and VTU final year projects of BE students will be on display.

More than 3,000 students will be participating in the event that demonstrates their engineering talent. The Student Project Fund will be sponsored by the Sahyadri College of Engineering and Management.
