## Faculty devt programme

**MANGALURU, DHNS:** The Department of Business Administration of Sahyadri College of Engineering and Management, Mangaluru, conducted a one-day faculty development program for all the undergraduate college faculty.

The session had 71 participants from 31 undergraduate colleges of Dakshina Kannada, Udupi, Kasargod and Shivamogga districts.

Prof Aruna Kamath, Principal, SDM College of Business Management said teachers should learn from youngsters. She said that doctors save lives and teachers shape life. Teachers should always face adversities and come up with better solutions was her message to all the participants.

Educationist Sagar A H spoke on philosophy and critical thinking.
