

## **Tops ISRO hackathon**

UDUPI

Deepak Nayak, Ullas, Shetty Saurabh Lavakumar and Abhijith S. Sherigara, students of third year Computer Science and Engineering of the Bantakal-based Sri Madhwa Vadiraja Institute of Technology and Management (SMVITM), have won the first place in ISRO Hackathon, a 36-hour event, organised by Sahyadri College of Engineering and Management in Mangaluru, as part of AEROPHILIA- 2019 from September 20 to 22. More than 200 students from 25 engineering colleges participated in the event, according to a press release from SMVITM here.
