

Workshop on Cyber Safe Campus held at Sahyadri

Mangaluru: Center of Excellence Cyber Security and Institute's Innovation Council - Sahyadri College of Engineering & Management, Mangaluru in association with ACM-Sahyadri held a workshop on Cyber Safe Campus for the first year engineering students on October 26. Dr. Ananth Prabhu G., Professor, Department of Computer Science & Engineering, Sahyadri College and guest faculty of Cyber Security at Karnataka Judicial Academy and Police Academy was the resource person. In his talk, he gave insight into some very common mistakes everyone does on the internet, the problems caused by attackers while accessing the internet and how the Trojan Virus is injected through the pictures. He also suggested ways on how to be free from cyber-attacks. He also spoke about some of the tools of artificial intelligence which are being misused by the attackers to cheat people. The students found the talk very inspiring and interesting. On the whole, the workshop was well received and the students gained great insights. ENS
