

Training, Placement & Career Guidance Cell

Motto: To ensure that every student leaves the portal of the college with the desired offer in hand.

Prof. Rashmi Bhandary

Dean-Training

Placement and Career Guidance Cell

In February, we initiated the exhilarating journey of facilitating placements for the 2024 batch. Our students fervently participated in the recruitment drive, showcasing their skills both in virtual and physical settings. We are thrilled to announce that renowned companies such as Wipro PARI, Toshiba Mitsubishi-Electric Industrial Systems Corporation, Rinex Technologies, Siemens Limited, ELEATION, Teachnook, Zosh Aerospace Pvt Ltd, Vayavya Labs, Everi India Private Ltd, Helian, and Mu Sigma have chosen to recruit our students.

Congratulations to all the students who have secured positions in prestigious organizations. Their achievements reflect the dedication and excellence of our student body. The success of hosting recruitment sessions with 17 distinguished companies in February 2024 strongly reinforces the strength of our strategic industry partnerships and our commitment to providing valuable opportunities for student career development.

We continue to strengthen our strategic industry partnerships, which underscores our steadfast commitment to offering valuable opportunities for our students and fostering their professional development.

Wipro PARI Hiring

Wipro PARI is hiring students from the Dept. of Electronics & Communication Engineering from the 2023 passed out batch as well as 2024 outgoing batch, for the position of 'Lateral Trainee'. The selected candidate will work as an On-Site Service Engineer. The salary package offered is INR 3.0 LPA annually. Wipro PARI has the

vision to utilize its expertise and resources to bring the best solutions in automation and robotics to its customers. Through their global reach and technical prowess, they offer a comprehensive slew of industrial automation solutions, including turnkey physical automation projects and digital factory initiatives to serve their customers.

Precision Automation & Robotics India Private Limited (PARI), headquartered in Pune, India was founded in 1990 by Mangesh Kale and Ranjit Date who had the knowledge and experience to understand the manufacturing industry's needs. The organization is amongst the largest global automation companies with a strength of 1300+ employees and multiple facilities worldwide.

Toshiba Mitsubishi-Electric Industrial Systems Corporation (TMEIC) Hiring

Toshiba Mitsubishi-Electric Industrial Systems Corporation (TMEIC) is hiring Mechanical Engineering students graduating in 2024 for various roles, with a competitive annual compensation package of INR 4.75 LPA.

TMEIC drives industry around the world through a comprehensive offering of unique systems solutions including variable frequency drives, motors, photovoltaic inverters and advanced automation systems for a wide range of industrial applications. Established in 2003, Toshiba Mitsubishi-Electric Industrial Systems Corporation (TMEIC) resulted from the integration of Toshiba and Mitsubishi Electric Corporation's industrial systems divisions.

Rinex Technologies Hiring

Rinex Technologies is recruiting engineering students from the 2022 and 2023 passed-out batches, as well as the 2024 outgoing batch, for the position of Corporate Marketing Coordinator, with an offered package of 4.0 LPA.

Rinex is a flagship brand from Rinex Technologies Pvt. Ltd accredited by National Skill Development Corporation (NSDC) and Skill India. It is one of the finest E-learning platforms for all students and professionals that facilitate studying top-notch technical certification courses from profound industry experts and help them comprehend & network in the current engineering industry.
