

TRAINING, PLACEMENT & CAREER GUIDANCE CELL

Motto - To ensure that every student leaves the portal of the college with the desired offer in hand.

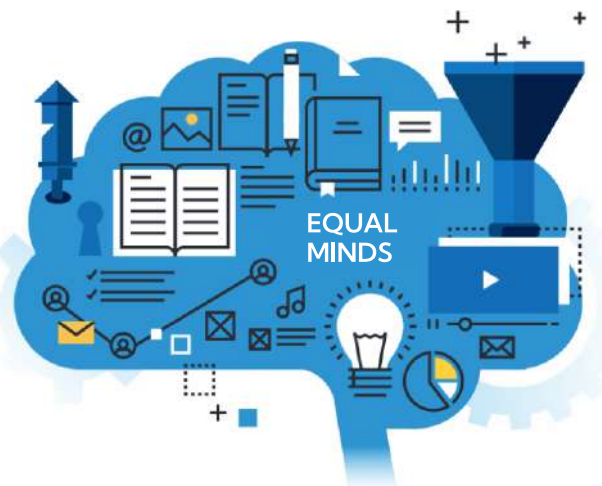

Prof. Rashmi Bhandary

Dean-Training, Placement and Career Guidance Cell

Placements for the 2022 batch of Engineering is being carried out in full swing. We had over 12 companies providing opportunities for the month of June. Our students have been recruited by Data Grokr, Google, Bosch, HDFC Life, Galaxe Solutions etc. We congratulate all the selected students. We are now gearing up for the upcoming 2023 Batch Placements.

PLACEMENT AND TRAINING

Equal Minds – Mindtree's Ideation Contest 2022

Mindtree proudly introduces "Equal Minds", an ideation contest for 2023 batch pre-final year students who are paranoid about making these ideas work real time. This is an opportunity for the students to base and build their idea in making business and society face the promise of the future. Mindtree believes in attracting extraordinarily diverse talent across geographies. Driven by this commitment to leverage and sharpen our student's skills, they want a fusion of Technology and Talent to recognize individual differences yet collaborate. Students get a chance to brush their brain & brawn with through-bred geniuses where the top three winning teams will get: INR 1,00,000 for first place, INR 75,000 for second place and INR 50,000 for third

BlackFrog Technologies is visiting Sahyadri on 2nd June, 2022 for the Pool Campus Recruitment Drive. They are hiring students from the Dept. of Computer Science & Engineering, Information Science & Engineering, Electronics & Communication Engineering and Mechanical Engineering for various roles. CTC offered is INR 3.2 LPA.

Blackfrog Technologies is a product development and consultancy firm. It is a Manipal based technology start-up company that seeks to improve the efficiency of immunization supply chains. It has developed a patented system for precision cold-chain and vaccine traceability with support from BIRAC (DBT) and leading impact investors in the nation including Venture Centre (NCL, Pune) and Social Alpha to provide logistical support in the last-mile delivery of vaccines.

POOL RECRUITMENT DRIVE

Black Frog Technology conducted a pool campus recruitment drive on 2nd June 2022 for the Dept. of Computer Science & Engineering, Information Science & Engineering, Electronics & Communication Engineering and Mechanical Engineering students of the 2022 passing out Batch. CTC offered is INR 3.2 LPA. Many students from the pool Colleges participated in the drive, results are awaited.

Nireeksha M N and Abhishek S Mallya from Information Science & Engineering have been recruited by Data Grokr for the position of Data Engineering Intern. CTC offered is 6.8 LPA.

DataGrokr provides Big Data Analytics and Cloud solutions to businesses to help them make data driven business decisions. They combine strong engineering and quantitative modeling skills to build data assets and generate value out of those data assets.

SASKEN RECRUITED

Kedar Pai P and Dhanush N from Electronics & Communication Engineering and Jimmy George K from Information Science & Engineering have been recruited by Sasken Technologies for the position of Associate Software Engineer. CTC offered is INR 5 LPA.

Sasken is a specialist in Product Engineering and Digital Transformation providing concept-to-market, chip-to-cognition R&D services to global leaders in Semiconductor, Automotive, Industrials, Consumer Electronics, Enterprise Devices, Satellite Communication, Telecom, and Transportation industries. For over 30 years and with multiple patents, Sasken has transformed the businesses of 100+ Fortune 500 companies, powering more than a billion devices through its services and IP.

BOSCH RECRUITED

Dept. of Electronics & Communication Engineering

Arpita Achal Bhat

Bhakthi P Alva

Jeevan K

Krithika

Shreya S K

Jasmi Y K

Mangala M

Nikitha S

Pratheeksha

Arpita Achal Bhat, Bhakthi P Alva, Jeevan K, Krithika and Shreya S K from Electronics & Communication Engineering; Jasmi Y K, Mangala M, Nikitha S and Pratheeksha from Computer Science & Engineering have been recruited by Bosch Global Service. CTC offered is INR 5 LPA.

Bosch Global Software Technologies Private Limited (BGSW) is a 100% owned subsidiary of Robert Bosch GmbH. They are one of the world's leading global suppliers of technology and services, offering end-to-end Engineering, IT, and Business Solutions. With a global footprint and presence in US, Europe, Japan, China, and the Asia Pacific region, they are at the forefront of designing, developing, and executing IoT ecosystems.
