TRAINING, PLACEMENT & CAREER GUIDANCE CELL

Motto - To ensure that every student leaves the portal of the college with the desired offer in hand.

Prof. Rashmi Bhandary

Dean-Training, Placement and Career Guidance Cell

Placements for the 2022 batch Engineering students for the month of May was in full swing. Many students are attending Offline/Online internships. Students have participated in the recruitment drive and have made it possible for remarkable placement records. We had 18 companies providing opportunities to our students for the month of May and some of them have recruited our students, to name a few 7 Edge, Intech Additive, Biofourmis, Informatica, ABSYZ, Microfocus and Sasken. We congratulate all the selected students. This has been possible due to strategic relations with the industries.

PLACEMENT AND TRAINING

Equal Minds – Mindtree's Ideation Contest 2022

Mindtree proudly introduces "Equal Minds", an ideation contest for 2023 batch pre-final year students who are paranoid about making these ideas work real time. This is an opportunity for the students to base and build their idea in making business and society face the promise of the future.

Mindtree believes in attracting extraordinarily diverse talent across geographies. Driven by this commitment to leverage and sharpen our student's skills, they want a fusion of Technology and Talent to recognize individual differences yet collaborate. Students get a chance to brush their brain & brawn with through-bred geniuses where the top three winning teams will get: INR 1,00,000 for first place, INR 75,000 for second place and INR 50,000 for third

Dean-Training, Placement and Career Guidance Cell attended the Mindtree Annual University Senate held in Bengaluru

Ms. Rashmi Bhandary attended the Mindtree Annual University Senate held in Bengaluru on 12th and 13th of May 2022. She had an opportunity to interact with Mindtree CEO and MD Mr. Debashis Chatterjee, who has agreed to visit Sahyadri.

Mindtree CEO and MD Debashis Chatterjee provided a comprehensive overview of key industry trends and developments.

Four seasoned academicians — Nadarajan R (Dean Placement & Training, PSG College of Technology, Coimbatore), Gautam Banerjea (Director of St. Thomas' College of Engineering & Technology, Kolkata), Dr. K S Sridhar (Principal & Dean for Training & Placement at PES University, Bengaluru), and Dr. Harpal Thethi (Head of Training and Placement at of Lovely Professional University, Phagwara) — participated in a panel discussion on the post-pandemic new order in higher education in India.

This was followed by a panel discussion on "getting businesses to the future, faster" using digital technologies. The panelists included Mindtree leaders Radhakrishnan R, Suresh HP, Kaushik Chakraborty, Nikhil Datar, and Ritu Chakrabarti. Rajiv Krishnan, MD and CEO of Ma Foi, delivered a special address on best practices to improve quality of education using technology in the talent landscape. The event contributed a fresh impetus and direction to learning experiences and environments of tomorrow that blur the boundaries between the classroom, real as well as virtual, and the world outside.
