Dean

Training, Placement and Career Guidance Cell

As we embark on the placement journey for the 2024 batch, our students are actively engaged in the recruitment drive, demonstrating their skills both online and offline. We are thrilled to announce that several esteemed companies, including Trianz, Juego Studio, Codecraft, UST Global, 7Edge, and Intelipaat, have chosen to recruit our students during the November campus drive.

Our heartfelt congratulations go out to all the students who have secured positions in these renowned organizations. The success achieved in November 2023, where we hosted 12 distinguished companies, further reinforces the strength of our strategic industry partnerships and underscores our unwavering commitment to fostering the careers of our students. This remarkable achievement serves as a testament to the dedication of our students and the effectiveness of our programs in preparing them for the professional landscape. We look forward to witnessing the continued success of our students as they embark on promising careers in collaboration with these esteemed companies.
