TRAINING, PLACEMENT & CAREER GUIDANCE CELL

Motto - To ensure that every student leaves the portal of the college with the desired offer in hand.

## Prof. Rashmi Bhandary
Dean-Training, Placement and Career Guidance Cell

Placements for the 2022 batch Engineering students for the month of April was in full swing. Many students are attending Offline/Online internships. Our students have cracked the topmost organizations like Google, Wallmart. 2 students have bagged a job at Google and 1 student has been recruited by Wallmart. We had 20 companies providing opportunities to our students for the month of April and some of them has recruited our students, to name a few ITC InfoTech, Citius Tech,Cerner India, Amadeus Software Labs India, Tavant Technologies, Maniranjan Diesel. We congratulate all the selected students. This has been possible due to strategic relations with the industries.

PLACEMENT AND TRAINING
Equal Minds - Mindtree's Ideation Contest 2022

Mindtree proudly introduces "Equal Minds", an ideation contest for 2023 batch pre-final year students who are paranoid about making these ideas work real time. This is an opportunity for the students to base and build their idea in making business and society face the promise of the future.
Mindtree believes in attracting extraordinarily diverse talent across geographies. Driven by this commitment to leverage and sharpen our student's skills, they want a fusion of Technology and Talent to recognize individual differences yet collaborate. Students get a chance to brush their brain & brawn with through-bred geniuses where the top three winning teams will get: INR 1,00,000 for first place, INR 75,000 for second place and INR 50,000 for third
