

SAHYADRI
COLLEGE OF ENGINEERING & MANAGEMENT
MANGALURU
An Autonomous Institution

E-MAGAZINE
FEBRUARY 2022

TRAINING, PLACEMENT & CAREER GUIDANCE CELL

Motto - To ensure that every student leaves the portal of the college with the desired offer in hand.

PLACEMENT

Prof. Rashmi Bhandary

Dean –Training, Placement and Career Guidance Cell

Placements for the 2022 batch of Engineering is being carried out in full swing. We had 175 students recruited by Cognizant, this is the highest number for Sahyadri from one Company. We congratulate all the selected students. Our students have also been recruited by DeltaX, Windcare India, Winman Software, Zensar Technologies etc.

We had over 100 Companies providing opportunities to our students and 840 offers as of December 2022. We are now gearing up for the core Mechanical Companies upcoming semester.

RECRUITED BY

Rakuten

Suma Gowri and Shreerekha from the Dept. of Computer Science & Engineering and Information Science & Engineering respectively have been recruited by Rakuten. CTC offered is INR 6 LPA.

Rakuten Group is a Japanese electronic commerce and online retailing company based in Tokyo, founded by Hiroshi Mikitani in 1997. Centered around Rakuten Ichiba, its business-to-many ecommerce platform and one of the largest e-commerce sites in the world, its businesses include financial services utilizing financial technology, as well as digital content and communications services such as messaging app Viber, e-book distributor Kobo, and Japan's

fourth mobile carrier Rakuten Mobile. Rakuten has 14,826 employees worldwide, operating in 29 countries and regions. Rakuten is the official sponsor of the Spanish football club FC Barcelona as of 2021. It is often referred to as the "Amazon of Japan".

RECRUITED BY

Nidhi from Dept of Information Science & Engineering and Khadeeja Jamsheeda and Bhumi from the Dept. of Computer Science & Engineering are recruited by Harman connected services for the position of Associate Engineer. CTC offered is INR 5.5 LPA.

Harman Connected Services, often abbreviated to HCS, is an American subsidiary of Samsung Electronics through Harman International Industries. The Connected Services Division supplies software services to the mobile communications industry. HCS is a technology company leader in Cloud, Mobile, Analytics Capabilities, Design, and Software Services. Harman has a workforce of approximately 30,000 people across the Americas, Europe, and Asia.

Distinguished Alumni: Vindhya Kulal - Abhimo Technologies Pvt. Ltd

After the completion of engineering at Sahyadri, Vindhya was selected at Diya Systems. With her burning desire to become an Entrepreneur she pursued a course in Android. Ms. Rashmi Bhandary, Dean-Placements & Training introduced her to a great visionary of the time, Mr. Irvathur Naveen Nayak from Mangaluru. He was in the process of forming an IT Start-up in Mangaluru creating Job opportunities for local talents and also a world-class

software products start-up for Banking and financial organizations.

Both founded the Company-M/S Abhimo Technologies and incorporated it on 3rd June'2020. Their office is located in Thokkottu area, which is relatively closer to their homes giving them more time to spend in office to focus on software products. After tons of effort, they got the first order to develop a software solution to Corporation Bank IT department. They appointed two freshers to start the development activity. Later, they added more workforces to the team.

Challenges kicked in during Covid-19 Pandemic. Most of the developers were freshers, they needed guidance for support and development, but all were dedicated in their work, provided good support to complete the project in time. Their first project was implemented without any delay and was highly recognized by the Bank.

Today, they have 4 Products and 2 Reputed Banks and 10 plus dedicated staff members who provide round the clock support. Their company is registered as a Start-up in India and are receiving essential support and benefits from the Government. Vindhya, through her experience suggests youngsters to acquire knowledge and stick to the same company for longer duration which is going to reward them in the future.

HIRING

SEG Automotive India Pvt Ltd is recruiting Engineers from the 2022 outgoing batch for the role of Graduate Apprentice Trainee. The recruitment is open for students from Mechanical, Electronics and Communication Engineering. CTC offered is INR 4 LPA.
