TRAINING, PLACEMENT & CAREER GUIDANCE CELL

Motto - To ensure that every student leaves the portal of the college with the desired offer in hand.

Prof. Rashmi Bhandary
Dean-Training, Placement and Career Guidance Cell

Placements for the 2022 batch Engineering students for the month of March was impeccable.March was a challenging month for the students where they had to prepare and appear for their VTU exams. Despite the exams, students have participated in the recruitment drive and have made it possible for remarkable placement records. Our students have been recruited by Deloitte, Karmic and Jaro Education. We congratulate all the selected students. We had 41 companies providing opportunities to our students for the month of March. This has been possible due to strategic relations with the industries.

PLACEMENT AND TRAINING
Equal Minds - Mindtree's Ideation Contest 2022

Mindtree proudly introduces "Equal Minds", an ideation contest for 2023 batch pre-final year students who are paranoid about making these ideas work real time. This is an opportunity for the students to base and build their idea in making business and society face the promise of the future.
Mindtree believes in attracting extraordinarily diverse talent across geographies. Driven by this commitment to leverage and sharpen our student's skills, they want a fusion of Technology and Talent to recognize individual differences yet collaborate. Students get a chance to brush their brain & brawn with through-bred geniuses where the top three winning teams will get: INR 1,00,000 for first place, INR 75,000 for second place and INR 50,000 for third
