Training, Placement and Career Guidance Cell

The placement performance of our 2023 batch of Engineering students was nothing short of exceptional. Now, as we embark on the placement journey for the 2024 batch, our students are actively engaging in both online and offline recruitment drives. We are pleased to announce that several prestigious companies, including Sap Labs, Deloitte India, Galaxe Solutions, Tata Elxsi, Euronext, Robosoft, have already recruited our students.

We extend our heartfelt congratulations to all the students who have secured positions in these renowned organizations. In the month of September 2023, we had the privilege of hosting 13 esteemed companies, providing invaluable career opportunities for our students. This success is a testament to our strategic industry partnerships and the unwavering commitment to nurturing the careers of our students.
