Placement and Career Guidance Cell

As we embark on the exciting journey of facilitating placements for the 2024 batch, our students have proactively participated in the recruitment drive, showcasing their skills both in the virtual and physical realms. We are delighted to share the news that esteemed companies such as Lumen Technologies, Poornam Info Vision, and Capillary Technologies, 99 games have chosen to recruit our students during the December campus drive.

Heartfelt congratulations are extended to all the students who have secured positions in these prestigious organizations. Their achievements stand as a testament to the dedication and excellence that define our student body. The resounding success achieved in December 2023, where we hosted recruitment sessions with 12 distinguished companies, serves as a powerful reinforcement of the strength of our strategic industry partnerships. This success underscores our unwavering commitment to providing meaningful opportunities for our students and fostering their careers.

As we bask in the glow of this achievement, we eagerly anticipate witnessing the continued success of our students as they embark on promising careers with these esteemed companies.
