## TRAINING AND PLACEMENT

### LightSoft R&D Hiring

LightSoft R&D Team Bangalore is hiring Engineers from Computer Science, Information Science and Electronics & Communication Engineering students from the 2020 passed out batch. Hiring is for the role of R&D Software Engineer.

LightSOFT is Ribbon's industry-leading network management system (NMS), providing unified multi-layer and end-to-end network management, through an intuitive, point-and-click user interface. It also supports full FCAPS.

### GERENT Hiring

GERENT LLC is recruiting Salesforce Developer Engineers from the 2021 outgoing batch. Package offered is INR 3.5LPA - 6.5 LPA.

#### About Company:

GERENT LLC was founded in 2008 with a mission to guide businesses in navigating the path to Salesforce success. They started out as the partner's partner – a subcontractor for larger Salesforce partners, including Salesforce's own professional services division. These partners would hire their expert teams to effectively manage and execute a wide variety of global Salesforce projects. In 2016, the tables turned, and they started creating value and success for Salesforce customers directly. Other partners recognized their team as having some of the best and brightest experts in the field.

### Anglo-Eastern

Anglo-Eastern hosted the Pre-placement talk for the Mechanical Engineers from 2021 outgoing Batch as a part of the virtual Campus Recruitment drive. The briefing was about the career option in Merchant Navy, their growth prospects as Marine Engineers, Perks and Benefits.

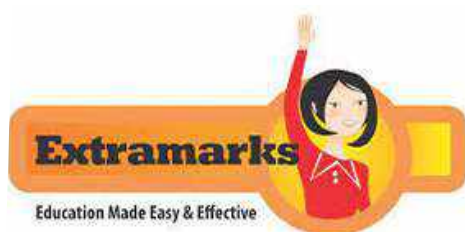

Mr. S.P.S.Oberoi carried out the presentation followed by a QnA session for clarifying the doubts of participants.

#### Speaker's Profile

Mr.S.P.S.Oberoi is a seasoned Mariner, having been in his chosen profession spanning over four decades. Soon after having graduated in B.Tech.(Mechanical) in 1975 he joined Shipping Corporation of India as a Trainee Marine

Engineer and underwent 8 months of pre-sea training. He started his sailing career as a Junior Marine Engineer in March 1977. Gradually, climbing up the professional ladder, he became a Chief Engineer in 1988. He joined Anglo-Eastern in January 1995 in the capacity as a Chief Engineer on ocean going ships and trading worldwide. During his sailing career till 2010, there is not a continent left on the face of the Globe which he has not visited while serving on ships. This includes the Arctic as well.

### Extramarks Hiring

Extramarks is hiring Java Developer with three years of experience in developing web applications, Backend, API and Big Data based applications/software. CTC offered is INR 10 LPA.
