

Sahyadri students are well placed in premier companies in India and abroad

Sahyadri College of Engineering & Management

The Institution was established under the aegis of Bhandary Foundation. It is affiliated to VTU, Belagavi and is approved by the Government of Karnataka, and All India Council of Technical Education - AICTE, New Delhi. The college is ISO 9001-2008 certified from TUV Nord, Germany and has obtained the International Accreditation Organization (IAO) candidate stature.

Infrastructure

The campus holds 5.00 lakhs sqft built-up space, excellent Infrastructure, aesthetically constructed in the courtyard style. Very spacious classrooms with good ventilation, and audio video facility is provided. Well-equipped laboratories, corporate incubation centres, spacious library, seminar halls, an auditorium with all modern acoustic facilities, state-of-the-art cafeteria, well developed sports facility and ample open space for group learning.

Students should follow these...

- Students must have the strong academic record and must be consistent in maintaining a minimum of 70%.
- By the end of 3rd year, every student is expected to have done at least **3 Projects**.
- Internship during every semester break is essential.
- Improve **Aptitude skills** by working more on it from the first semester.
- Hone your communication skills.

Best Placements Year after Year

Department of Placement & Training

The Placement and Training Department consists of HOD -Placement and HOD - Training with Assistant Placement & Assistant Training Officers. The department is entrusted with the responsibility of ensuring that students are well-placed professionally, thereby bringing to a successful culmination the students' efforts in the program. The objective of the Placement and Training Department is to train the students as per the requirements of the industry. Through extensive industryspecific aptitude, soft skills and communications training, it enhances the effectiveness of the students aspiring for placement.

In addition, the department also promotes the spirit of entrepreneurship through its tie-up with National Entrepreneurship Network (NEN).

Life after education in Sahyadri... A Sahyadri Degree arms the students with best chances for success in their chosen field. It opens doors and offers a wide range of opportunities.

Placement Features

- Aptitude, Soft skills, Value-added courses and Training: Sahyadri has in-house skilled training professionals regularly conducting a host of value enhancement Training Programs for students.
- **Personality Development:** The training department team trains the students on a regular basis on various aspects of personality development.
- Internship Programme: Students undergo internship and summer vocational training in companies like Mahindra & Mahindra, MRPL, MCF and others.
- Industry interaction: The department organizes Industry interactions on a weekly basis to groom the students for the corporate world
- More than 130 companies visited for campus recruitment drive in the academic year 2014-15.
- Sahyadri students are placed in premier companies in India and abroad.

Prof. Rashmi Bhandary, M.S.W, M.A.

Prof. Rashmi Bhandary, Head, Department of Placement, obtained her B.Sc. degree in Micro Biology from St. Aloysius College, M.S.W. from Roshni Nilaya and M.A. (English) from Mysore University. She is a certified facilitator in HRD, Counselling and Written & Spoken English from Aim Insights, Mangalore.

Sahyadri Sahyadri

Visionary Entrepreneur and Educationist...

Mr. Manjunath Bhandary, M.Phil, Ph.D. Chairman

Sahyadri has created a platform for the students to come up and exhibit their talents, which otherwise would be a dream for them. The Government of India has numerous schemes to enlighten the students on their strengths, talents, etc., but it normally will not reach the students of all regions. Keeping this in mind, Sahyadri has started an initiative of helping the students so that they may be thoroughly groomed in their project work, research areas, etc. 7

Sahyadri Initiatives and Innovation Labs

Student Project Support Scheme - SPSS

This is the first of its kind in any professional technical institution in the country. SPSS provides financial and academic support for student projects in order to improve the quality of technical education. The management has earmarked sufficient funds for student projects through the SPSS.

Fab Lab: To promote invention and research culture amongst the students, a fabrication laboratory named "Sahyadri - DREAMERS Tech Labz" is formed. The lab hosts all the tools and machineries needed to convert one's idea into a prototype. The lab aims at product oriented research eventually helping the enthusiasts to start a start-up of their own. The focus is on the design of Quad copters, Robots and mini Aircrafts.

Hands-on Lab: The hands-on lab gives the students the opportunity to work closely on household devices. The lab also gives the students freedom to open the device, check, question and reason out the working of the devices. Further, it gives them many opportunities to enhance their curiosity and practice the engineering practices wholeheartedly. Students will be trained in assembling computers, hardware, mobile phones, TV/LCD, etc.

Mech-Technical Lab: This lab provides infrastructure to realise the dreams of all mechanical engineers. The state-of-the-art infrastructure provides a conducive atmosphere for the engineers to excel in their field. The lab also encourages the students to participate in national and international events in order to gain vast exposure. Students will gain knowledge in the design and exploration of small machineries and all terrain vehicles.

" Empowering Young Minds "
